Adriel de Oliveira Gama

Front-end Developer
Salvador, Bahia - Brazil

I'm a Front-end developer with 5 years of experience in responsive web projects. I have advanced skills in JavaScript, ReactJS, and TypeScript, as well as knowledge of modern Front-end technologies like Styled Components and Figma. My strength lies in translating complex designs into interactive and efficient interfaces, ensuring compatibility with various browsers and devices, with the aim of delivering innovative solutions that enhance the user experience.

Work Experience

Fullstack Developer @ Farmácias APP

NOV 2023 - PRESENT

Front-end Developer @ Farmácias APP

JUL 2021 - NOV 2023

Fullstack web development specialist with expertise in front-end technologies like ReactJS, TypeScript, NextJS, and back-end including Node, Express, and Nest. Skilled in crafting responsive interfaces and developing APIs, utilizing Styled Components, Storybook, and Swagger. Directly contributed to a 156% increase in order volume and a 278% rise in transaction revenue from 2022 to 2023, enhancing user experience and cross-browser compatibility.

IT Project Assistant @ Grupo Ramiro Campelo LTDA

JAN 2021 - JUL 2021

Identifying and reporting inconsistencies to the Analyst, performing data collection with SQL queries, importing data via Report Builder, deploying and testing internal systems, and reporting results while managing schedules, providing support, and addressing incidents in internal development systems and applications using HTML, CSS, JavaScript, React, TypeScript, and Styled Components.
